**IMPORTANT ACCOUNT INFORMATION**

Effective June 20, 2020, we are updating the Funds Availability Policy in our Deposit Account Agreement as follows:

In the "Longer delays may apply" section, when a longer delay applies, we are making the following changes:

- The amount of your deposit that may be available on the first business day after the day of your deposit is increasing from \$200 to \$225.
- We are changing the check deposit amount exception that may lead to a delay of generally no more than seven business days from "You deposit checks totaling more than \$5,000 on any one day" to "You deposit checks totaling more than \$5,525 on any one day."

In the "Special rules for new accounts" section, setting forth special rules that apply during the first 30 days your account is open, we are updating the amounts in the two bullets in the second paragraph from \$5,000 to \$5,525 and from \$200 to \$225 as follows:

- The first \$5,525 of a day's total deposits of cashier's, certified, teller's, traveler's, and federal, state, and local government checks and U.S. Postal Service money orders made payable to you will be available on the first business day after the day of your deposit.
- The excess over \$5,525 and funds from all other check deposits will be available on the seventh business day after the day of your deposit. The first \$225 of a day's total deposit of funds from all other check deposits, however, may be available on the first business day after the day of your deposit.
